HIMALAYAN PREMIUM CARVING SINGING BOWL

SKU: DA-198-TW-007

Designer: NE MUNI

A singing bowl is a type of bell that vibrates and produces a rich, deep tone when played. These are said to promote relaxation and offer powerful healing properties.

The Himalayan Premium Carving Singing Bowl is made and carved by hand by artisans in Nepal using 7 types of metals.

To use a singing bowl yourself, firmly press the accompanying mallet in a circular motion against the bowl's outside edge or rim. When you hear a bright, clear tone, you can slow down the motion. Use your full arm to make the motion, rather than just rotating your wrist. Additionally, you can gently strike the bowl before beginning the circular motion.
