SAKURA & GREEN TEA SOY CANDLE

SKU: CSG

Designer: OYASUMI SCENTS

After perfecting the Pandan & Lemongrass scent, Jacqueline's daughter insisted she work on a scent that reminded them of annual *hanami* festivals in Japan. Jacqueline could not agree more as cherry-blossom viewing was associated with memories of relaxation. And because Jacqueline always enjoyed a cup of green tea in her hands during these festivals, she was determined to pair the scent of *sakura* with green tea to bring forth pleasant memories.

But getting the *sakura* scent right was not easy. It took almost a year of testing and working with several fragrance makers before Jacqueline found one she liked. The result is her Sakura & Green Tea soy candle, with the light, floral scent of *sakura* blended with the earthy, fresh scent of green tea. The scent is both fragrant and relaxing, and a wonderful way to transport yourself to Japan's seasonal *hanami* festivals even if you are unable to attend one.
