This showcase of his works to date features eighteen recent projects around the world and provides fresh insights into Fu's creative process, including his hand-drawn sketches and mood boards, as well as an introductory essay that explores Fu's key influences and the importance of his unique and highly refined East-meets-West aesthetic. With an illustrated chronology of all the designer's works to date, this rich overview presents the award-winning vision of interior design's rising star, not only in Asia but across the world.
