GOOD TIMES RU WARE CUP

SKU: 6971635798003 / 6971635790809

Designer: COMIVERSE

The Good Times Ru Ware Cup is designed by Japanese design master, Toshiyuki Kita. Like most of Kita's works which have been permanently collected by a number of international museums, the design of this coffee cup is inspired by the concept of "all objects contain a soul within".

Master Kita integrates design aesthetics with wisdom about life into his works and makes it come alive. The cup adopts a simple yet elegant design with a thick wall that effectively preserves the temperature of the drink.

The cup was created employing the traditional Ru ware firing technique.
