

**Designer: OYASUMI SCENTS**

Growing up in an Asian household meant tea was a staple. One familiar scent that always wafted through Jacqueline's home was her mother's favorite oolong tea. As the scent is a source of comfort for Jacqueline, she worked for months to craft a blend to be diffused through her soy candles.

The result is her Black Tea & Clove candle, which has the earthy scent of oolong tea mixed with the subtle spice of clove. The scent is both warming and invigorating and is labeled as a cult favorite among her customers.
