

**Designer: OYASUMI SCENTS**

There's something truly unique about the lychee fruit. Not only is it delightfully sweet, but it also has a light, floral scent that is pleasing to all. And there is nothing like lychee to impart the sense of a tropical vacation. This is the reason why Jacqueline wanted to create a blend with lychee. She wanted people to escape to a tropical vacation upon stepping into a room. The result is her Lychee & Calamansi soy candle, which boasts of lychee's sweet and floral scent, balanced with the mild, refreshing citrus of calamansi. A truly delightful scent that will transport you to a tropical beach.
