

Designer: LET'S TALK GLASS

The air bubbles in this Bubble Glass are deliberately trapped in the glass to form a unique, organic pattern on the cup that creates a tromp l'oeil effect. Once a drink is poured into the cup, the bubbles will appear as if in motion: gathering, dispersing or floating. Never able to be caught, the air bubbles represent the elusiveness of a dream.

Dimensions: L8.4 x W8.4 x H8.9 cm

Primary Material: Glass

Primary Color: Transparent

Customization: This product is not customizable.
