

**Designer: BARBARA CERAMIC**

The Frantoio n.9 Sculptural Vase, modelled after a traditional olive press, is made by hand with stoneware clay.

The piece has a matte surface, and is raw and unglazed. The stoneware fires on a slow burning curve at different temperatures to allow the natural color to come out.

The vase is not watertight and can be used for minimal dry floral arrangements or as a sculptural element.

Dimensions: W9 x H6.5 cm
