

**Designer: BARBARA CERAMIC**

The Tower Sculptural Vase, modelled after the designer's home town of Liguria, is made by hand with stoneware clay.

The piece has a matte surface, and is raw and unglazed. The stoneware fires on a slow burning curve at different temperatures to allow the natural color to come out. The vase is watertight and can be used for minimal floral arrangements or as a sculptural element.

Dimensions: L7 x W5 x H29 cm
