The clear quartz is the master crystal of all since it has a very strong cleansing power against negativity and incoherent energies. It can help a person to clear their mind to stay focused. It is one of the best stones for enhancing meditation experiences.

The Free Mind Candle uses all-natural clear quartz to mimic the growing pattern of a crystal cluster - free and limitless. This unique designer piece advocates the love of nature and appreciation for uniqueness.

The flat black ceramic bowl is inspired by the wabi-sabi concept in Japanese culture - an acceptance of imperfection and impermanence. The aroma of bamboo and white tea provides a clean, crisp, and oriental flavor.
