The Rose Quartz Crystal Ball manifests the sweet and gentle vibration of the color pink. The essence of its energy is about self-actualization and inner peace. It is able to heal any past trauma accumulated in one's heart.

The rose quartz is “the stone of love” and much more. It can lead us deep into our hearts and help us experience the truth of love. It can enable us to accept and love ourselves wholeheartedly from the inside out.

The brass stand adds a modern and chic touch to this natural statement piece.
