

**Designer: GEREL GILVAA**

The Amethyst Crystal Ball has a very gentle and stable vibration that can stabilize the surrounding energy field. Its gentle vibration is able to harmonize one's brain waves, balance the physical energy field, relax the body and the mind, and enhance sleep.

The spiritual energy of amethyst can assist us to gain wisdom. When placed on your third eye chakra, its spiritual energy can promote the unification of one's body, mind, and soul.

The brass stand adds a modern and chic touch to this natural statement piece.
