Two-tone lacquer tray ideal for holding cosmetics or jewelry in tangerine orange and black with silver highlights. The tray has a high gloss finish, with curved surfaces that bring out the lacquer's vivid colors and deep shine.

The illustration is inspired by traditional silk Vietnamese lanterns. Lanterns make a breath-taking sight at the mid-autumn festival celebrated in parts of South East Asia. Historically the festival was a time to enjoy the successful reaping of the harvest, with a food offering made in honor of the moon.
