

**Designer: FORBIDDEN HILL**

Two-tone lacquer box ideal for storing small keepsakes in tangerine orange and black with silver highlights. The box has a high gloss finish on the exterior and a matte finish interior, with curved surfaces that bring out the lacquer's vivid colors and deep shine.

The illustration is inspired by traditional silk Vietnamese lanterns. Lanterns make a breath-taking sight at the mid-autumn festival celebrated in parts of South East Asia. Historically the festival was a time to enjoy the successful reaping of the harvest, with a food offering made in honor of the moon.
