

### Designer: FORBIDDEN HILL

Two-tone lacquer tray in lime green and forest green with silver highlights, ideal for serving light refreshments or holding accessories. The tray has a high gloss finish, with curved surfaces that bring out the lacquer's vivid colors and deep shine.

The illustration is inspired by depictions of Koi in Asian artwork. Koi are a type of carp kept in fishponds all over South East Asia for good luck. They are a common symbol in Chinese Feng Shui and are synonymous with good fortune, harmony and happiness. Koi are frequently seen in Chinese art, as their representation is said to attract auspicious abundance.
