

**Designer: FORBIDDEN HILL**

Two-tone lacquer tray ideal for holding cosmetics or jewelry in carmine rose and chestnut brown with gold highlights. The tray has a high gloss finish, with curved surfaces that bring out the lacquer's vivid colors and deep shine.

The illustration is inspired by the Hibiscus, often referred to as the "Queen of Tropical Flowers" because it is widely grown as an ornamental plant throughout the tropics and subtropics. The Hibiscus rosa-sinensis is also the national flower of Malaysia and its Malay name, Bunga Raya, means "Celebratory Flower."
