

**Designer: FORBIDDEN HILL**

Two-tone lacquer tray in merdeka red and charcoal with silver and gold line work, ideal for serving light refreshments or holding accessories. The tray has a high gloss finish, with curved surfaces that bring out the lacquer's vivid colors and deep shine.

Featuring a majestic lion, the Utama Collection is a nod to Sang Nila Utama, whom as legend has it, saw a mighty lion when he arrived in Singapore and named the island "Singapura", or "Lion City". The meticulous line-work illustration depicts a lion framed between the clouds and the sea, and wearing the crown of Sang Nila Utama, which was symbolically thrown overboard to secure the safe passage to the island for Singapore's first Ruler.
