The Sun-Dried Tangerine Peel (*chenpi*) White Tea is prepared using high-quality tangerines grown in the Tianma region in Xinhui, Guangdong Province, and Fuding White Tea of first-class Shoumei Tea standard. The fruits and leaves are picked from seasoned trees - more than 8 years for tangerines and over 20 years old tea trees - which is an important factor when it comes to achieving quality and flavor. This tea offers a refreshing and delicately sweet taste.

Each box contains 12 tea bags.
