

### Designer: BOTANIC PRETTI5

The Intensive Water Glow Moisturizer is a light and dewy cream that hydrates and protects delicate skin against dry air and pollutants.

The cream is enriched with sodium hyaluronate, precious essential oils, and TCM botanical extracts. It creates a skin barrier, protecting your skin from everyday activities and environmental pollutants. The silky, non-sticky texture allows this moisturizer to serve as a perfect base for primer and foundation.

Dimensions: L4.1 x W4 x H14.9 cm
