The Hydro-Rescue Repairing Night Mask is a spa-worthy product that can retrieve your natural glow in just one week. With an infusion of herbal ingredients and vitamins, this water-based mask works its magic overnight for clear, soft, and hydrated skin.

The mask is a unique treatment that uses the power of natural extracts of lavender, amur tree bark, and aloe barbadensis with star scientific ingredients like coenzyme Q10, hyaluronic acid, provitamin B5, Vitamin B12, and Vitamin E. It effectively eases skin fatigue and stabilizes it for 8 hours straight. The mask also fully replenishes the moisture of the skin, boosts cell regeneration, and restores the balance of skin oils.

You will wake up to luminous, supple, and soft skin!
