The Kokoro Light Sculpture subtly lights up all that surrounds them from within. The word "kokoro" means "heart". The sculptural lamps sit by, giving light and reminding you that you are not alone.

Emma is the name of a girl full of curiosity and sensitive to everything around, maybe too sensitive. She can't help but feel. The world can sometimes be overwhelming but despite that, she will shine.

The piece is a one-of-a-kind stoneware sculpture cum lamp made by hand. The clay used is lead-free.
