

**Designer: GELLYVIEVE**

The Kokoro Light Sculpture subtly lights up all that surrounds them from within. The word "kokoro" means "heart". The sculptural lamps sit by, giving light and reminding you that you are not alone.

Stars is the first of its kind made with in-house grog that is recycled from failed bisque ware.

The piece is a one-of-a-kind stoneware sculpture cum lamp made by hand. The clay used is lead-free.
