

**Designer: MAISON LUMIERE**

A part of the Fan/Shan series, the Fan Earrings are inspired by works of art in the Palace Museum collection. The Chinese character for "fan" can also be interpreted as "goodness" when the phonetics are slightly changed. Hence, the form of these earrings also symbolizes nobility and agility.

The fan-like petals can also be moved to add another layer of meaning and elegance to the piece.

Dimensions: D10 x W4 x H1 cm

Primary Material: Silver
