

**Designer: THE ART PEOPLE  
GALLERY (TAPG)**

Marisa Ng brings colors and shapes to life on her canvas. The fluidity of her brushstrokes come together to form an expression of something familiar, but leaves enough gaps for viewers to find their own meaning.

"Abstraction to me is the purest form of art, as it comes from one's soul or state of mind," says the artist.

Dimensions: D61 x W61 x H61 cm
