

Designer: NAKEDLAB

Say “goodbye” to hot flashes and night sweats and “hello” to your best sleep yet. BambooSilk bedding is lightweight, naturally breathable, and temperature regulating, helping to prevent dry skin and ensure you sleep comfortably every night no matter which season. Crafted from 100% organic and sustainably sourced bamboo, you can rest easy knowing your bedding is vegan and eco-friendly, OEKO-TEX certified free of any harmful chemicals and made from one of the earth’s most efficient plants.

This set includes 2 pillowcases, 1 duvet cover and 1 fitted sheet.
