

Designer: NESTBLOOM

The Rose Ritual Kit is the perfect starter gift set to enjoy the full pampering ritual of NestBloom. With this, you have just discovered your very own little secret to radiant and youthful skin.

Each kit comes with the Rose Bloom, made with almond milk prepared the traditional way with pure whole southern almonds, and then combined with premium Bird's Nest, pure rock sugar, and a hint of natural rose extract.

All Ritual Accessories in the kit are 100% handcrafted. The Ritual Bowl is handcrafted with premium borosilicate crystal to withstand high temperatures while protecting your hands from the heat. Inside every ritual double-wall bowl, there is a 5-dot mark to indicate the amount of water to be added. The curvature of the bowl amplifies the aromatic potential. The Ritual Glass Spoon has been carefully designed to bring out the right amount of flavor in each spoonful for you to savor. Set at 5 minutes, the NestBloom Hourglass provides a little moment for you to enjoy the wafting aromas as you slowly unwind and experience your ritual of mindfulness and self-pampering.
