

**Designer: BEIGIC**

This silicone-free and hypoallergenic cream, packed with green coffee bean oil and madecassoside, enables the skin to effectively infuse and lock moisture in.

Thanks to potent firming ingredients that help retain moisture, including ceramide NP, asiaticoside, and centella asiatica extract, the skin's moisture barrier is strengthened, protecting it from dehydration and sensitization. Skin is soothed and protected.

The cream is fresh and lightweight with a non-greasy texture. This is a vegan formula, suitable for all skin types.
