

### Designer: BEIGIC

This intensely hydrating and brightening sheet mask is enriched with a concentrate of green coffee bean oil, and 7 peptides to help revitalize the dry, tired skin.

The firmly weaved sheet of fine cellulose obtained from natural cottonseed is designed to perfectly adhere to the skin. Awash in the vegan vitamin energy of niacinamide (Vitamin B3), Vitamin C, yuju extract, and vitamin tree extract, your skin is brightened, energized, and strengthened. Blended with pure essential oils and peppermint leaf extract, it provides complete relaxation for 15 minutes, leaving a translucent complexion after use. Day after day, the skin's healthy luminosity is intensified, revealing more even-looking skin that appears radiant from the inside.
