CERAMICS**

Painted by Jingdezhen ceramic artist, Gao Yisheng in his unique style, this work of art showcases a landscape. The delicate forms in soft blue and white tones bring a vibrancy while the water, mist, and clouds add a dynamic touch.

Without the artist's dual mastery of painting techniques and blue and white ceramics, distilled into profound perceptions of the characteristics and structural interplay of light, mist, and mountains, it would be impossible to achieve such craftsmanship.
