

Designer: PLYWOOD LABORATORY

The Mokume Tray is made from paper wood, a unique plywood material, constructed by integrating colorful recycled papers with domestic wood veneers from trees grown in Hokkaido, Japan.

The beautiful grain line pattern is created by diagonally shaving the paper wood, exposing the layers of wood and laminated color paper. The piece is a perfect catch-all dish for all your small items.

Dimensions: L12 x W12 x H3 cm

Primary Material: Paper

Primary Color: Blue

Customization: This product is not customizable.
