

**Designer: NISHIMURA SHOUTEN**

The pattern for the Hikibaku Interior Panel is drawn using the natural colors of discolored silver.

The silver discoloration process follows a particular order beginning with silver, then changing to gold, brown, blue, light blue, and so on. The creation of each product requires superior knowledge of the process and precision.

Dimensions: L59.4 x W42 x H2 cm

---

**Primary Material:** Paper
