

**Designer: MICHELL LIE STUDIO**

Ascend features a dramatic curve in broad, heavy Chinese ink that speaks to fluidity and power. This abstract piece balances positive and negative space to create an uplifting, energizing effect.

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly defined felt structure giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free creating an age-resistant museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
