

**Designer: 22/7 BY HSU**

The Let's Play collection is a collaboration between 22/7 by Hsu and the talented artist Yu-Ting, who depicts Taiwanese park life through her illustrations. Together with Yu-Ting, 22/7 by Hsu hopes to transport you from the calm and quiet park to the fun-filled playground where you can discover your inner child.

The Jess Dress can be worn as a top or as a dress. The design on the decorative pins is based on the drawings of the artist Yu-Ting. The pins can be detached without altering the shape of the dress.
