

**Designer: CHEN CHAO**

The Fine Horse series of porcelain sculptures is derived from Chen Chao's personal artworks, where he applies traditional Chinese modeling techniques in modern art contexts. Based on his comprehension of abstract patterns, he recreates his own expression of animal models to achieve meaningful works of art.

Through his extensive observation and research on horses, Chen Chao applies fluid, dynamic lines to depict some of the typical characteristics of horses in his sculptures. The result is a unique piece of art that is contemporary in its form yet classic in its expression.
