

**Designer: MICHELL LIE STUDIO**

A cheerful, dynamic composition that depicts wind ruffling through the branches of a cherry blossom tree in glorious full bloom.

In the artist's words regarding this work:

"Joy is what I want to communicate here. May you bud, bloom and blossom with the flower of life. Let the seed of hope, patience and love bring you the taste of life no matter where life is leading you.

Create your own blossom that no one can take away."

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
