

**Designer: MICHELL LIE STUDIO**

A rippling composition that brings to mind layers of sedimentary rock, Core is at once flowing and solid and rendered in earthy, natural tones.

In the artist's words regarding this piece: "Stay firm in training your core. Your core keeps your balance and keeps your feet fixed on the ground so you don't get affected so easily by external factors, pressure, and simply 'noise'. Stand firm."

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper are a sign of premium paper quality.
