

**Designer: MICHELL LIE STUDIO**

A thicket of blossoms bursts forth from the page, unfurling in streaks of Chinese ink and fine-tipped ink pen.

In the artist's words regarding Cosmic Blossom - "If you want to see some bursting energy blossoming - you've got to reach out and interact with different people of different backgrounds and brought-up. Otherwise, things turn stale and become predictable."

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.

Dimensions: W29.7 x H42 cm

*Note: The art print is signed by the artist and comes unframed.*
