"When the energy runs through you like current in the ocean, that empowerment is like nothing can stop you now. May your creativity run inside you pushing you seeing your real focus so you know what you need to do most." -- Michell Lie on Current.

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
