

Designer: ONEMORETHING

This product is part of a collaborative series created by Bangkok textile collective OneMoreThing and celebrated Thai graphic illustrator, Pomme Chan. The design investigates the topic of "Sex and the Nation" by looking at the country through the lens of sex education.

The chair design is inspired by vintage furniture. The chair cushion and upholstery is made with woven polyester fibers using jacquard techniques, ensuring a soft feel and versatile look.

Dimensions: L42 x W73 x H40 cm

Primary Material: Synthetics

Primary Color: Multicolor
