

**Designer: ONEMORETHING**

This product is part of a special series created by One More Thing in collaboration with artist collective, Hybrid Designers.

The design is inspired by gongtek, silver, and gold papers used as offering at traditional Thai shrines and temples.

The rounded pillow is made with woven polyester fibers using jacquard techniques, ensuring a soft feel and versatile look. It is adorned with 4-point patterned buttons and stitched edges. The pillow adds a splash of personality to any space.
