

**Designer: TASCHEN**

The Book of Symbols combines original and incisive essays about particular symbols with representative images from all parts of the world and all eras of history. The highly readable texts and over 800 beautiful full-color images come together in a unique way to convey hidden dimensions of meaning.

Each of the ca. 350 essays examines a given symbol's psychic background, and how it evokes psychic processes and dynamics. Etymological roots, the play of opposites, paradox and shadow, the ways in which diverse cultures have engaged a symbolic image—all these factors are taken into consideration.

Dimension: L24 x W16.8 cm
