

**Designer: GUANG-YU ZHANG**

The Shanghai-based artist Guang-Yu Zhang honors his roots by emulating ink-based art in the portrayal of idealized landscapes, while flipping the script by integrating the Western approach of occupying all available negative space with more saturated elements than is usually seen in Asian art.

Note: This artist is available by commission only. Each work is made to order based on the client's specifications in any of these formats: painting, print or digital art. Please contact cs@vermillionlifestyle.com to enquire.
