COMMISSION 1 BY HUG YIN WAN

SKU: AT-087-HK-018

Designer: THE ART PEOPLE GALLERY (TAPG)

Hug Yin Wan is a Malaysian artist. Growing up in a Buddhist family inspired Hug Yin to believe in the concept of impermanence in life, which is reflective in his artwork.

This artwork is created using mixed media on plywood and adorned with carving on perspex.

When speaking of his work and inspirations, Hug Yin states, "Life is just like a line, it is made of different points joined together from a starting point to an ending point. The repetition of lines creates an illusion of motion in space, like the feeling of impermanence, continuously running and changing. I use lines in my work to create infinity visual works."
