

**Designer: TASCHEN**

Experience the boundless vision of one of the greatest architects, designers, and art directors of the 20th century. Shaped in close collaboration with the Gio Ponti Archives and its founder Salvatore Licitra, Gio Ponti is an immersive book scaled to his kaleidoscopic universe, featuring texts by Lisa Licitra Ponti and an extensive biographical essay by Stefano Casciani. An unprecedented tribute to Ponti's achievements as an ingenious publisher as well as a timeless creator, the images and texts of this compelling XL rendition draw its reader closer to his work than ever before.
