

**Designer: TASCHEN**

This double-volume is the unrivaled collector car anthology. It curates 100 of the most exquisite, remarkable, and desirable cars of all time, from the landmark 1903 Mercedes-Simplex 40 hp to the radically designed 2020 McLaren Speedtail. Settling for nothing less than the very best of the best, and presenting each model with stunning imagery taken by the world's leading car photographers alongside rare archival treasures.
