

**Designer: ZO-EE**

A cushion with a unique character based on sculptural form instead of patterns, the Handmade White Knot Cushion is as comfortable as a support in the sofa as it is elegant to behold.

The cushion is made from a stitched cotton tube, several meters in length, which is then meticulously tied up to create a compact knot.

Dimensions: L42 x W40 cm

Primary Material: Fabric**Primary Color:** White**Customization:** Product size can be customized.
