

Designer: SUGO

THE SMOKESCREEN LIMITED is a material SUGO has worked on for months in collaboration with YUMINIDE, a young and quirky creative outfit with a lot of highly innovative ideas. It is a special acrylic that needs to be cast with cloud-effect paint poured in and stirred by hand. With this unique method no 2 pieces of the design are ever the same and they are produced in highly limited quantities. THE SMOKESCREEN LIMITED is produced exclusively for SUGO.
