

The local craftsmen that Yarnnakarn works with create wistful ceramic pieces, using experimental techniques and materials. The natural clays are gathered from various locations in Thailand and mixed to the brand's unique formula. The story of each individual piece is told in the details.

Each piece undergoes a delicate technical process. Slight variations of forms, colors, and textures create personality and unique characteristics. The natural imperfection becomes Yarnnakarn's visual poetry.

Dimensions: L7 x W7 x H6 cm

Primary Material: Ceramics

Primary Color: Black

Customization: This product is not customizable.
