

**Designer: KAM CE KAM**

Inspired by the colonial planters chair which was used to recline on a shaded veranda, the chair features a quirky fold out element in the arm which can be used as an element to rest a drink on, recline back into the chair and rest your feet on, or just a simple reminder of the original pieces that inspired this design.

Dimensions: L72 x W60 x H82 cm

Primary Material: Wood**Primary Color:** Natural**Available Variants:**
