"When I was finishing this artwork, I looked at it and felt some kind of peace within. It's slightly cute, abstract, a bit quirky and not pretty. It has fine details and bold colors. Imagine we all live in harmony where differences would be observed, respected, and celebrated. There will be surprises at times, but we still can find peace living individually and together. Naive and real is my spirit." - Michelle Lie

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
